

Dallas Senior Interclub

The Dallas Senior Interclub ("DSI") is an association made up of 10 – 12 DFW area country clubs. The 2019 season has 10 clubs participating. One event will be played per participating club at their own home course. So if there are ten clubs, then once a year you will play once on your course and nine other times at the other courses.

For each tournament, each club will field a team of 10 players. The format is modified stableford quota. Each person will play their own ball. The worst two scores of each team will not be counted, but the other eight will be totaled to create a team score. Pro-shop credit awards are given to each of the winning players based on team scores and places of 1st, 2nd, 3rd, etc.

In addition to the "day money" prizes, your team also gets points based on place (1st, 2nd, 3rd, etc.) and at the end of the year there is an exciting quarter finals and then the finals to determine the year's champion who gets to take the DSI Trophy to their home course and hold it for one year until the next finals are conducted.

Fees

- There is an annual enrollment of \$30 for each player to join the DSI
- Per tournament event, each tournament participant pays a \$30 entry fee which funds the prize money for that event. All prize money (\$3,000.00 per event) is paid out to the top five teams as shop credit at the host club's pro shop.
- Per tournament event, each participant is charged a cart fee, typically \$20-\$25. No greens fees are charged.
- Lunch is available (optional) after each event for \$20-\$25.

Website

New for 2019, we now have a DSI website at <https://www.dallasseniorinterclub.com>

If you are a player, then you must register online and pay your annual dues. This makes you eligible to play in future events, HOWEVER, just because you sign up and pay does not mean your captain will play you; remember the field is limited to 10 players from each club so unfortunately not everyone who wants to, can play in every event. Please discuss with your Captain before registering and paying your annual dues.

If you are a Captain, you must first register as a player and then you will have more options available to you. You will be able to assign a team online and if changes occur (as they ALWAYS do), you can easily go online and remove one player and substitute another. You will NOT be able to assign a player who has not paid his annual dues yet. You will also be able to pair your players online. You can specify who will be having lunch and then at event time, all information on the website will be delivered to the home course making it easier on everyone!

2019 Process

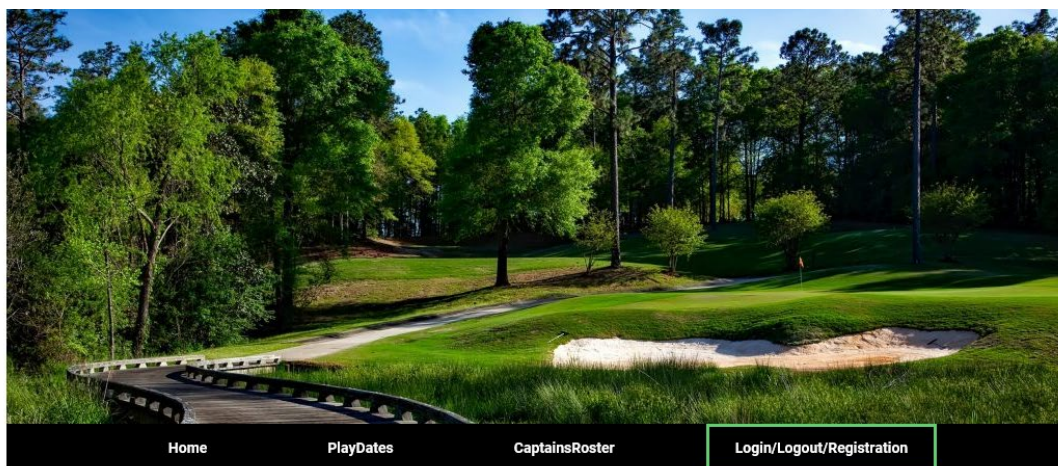

With the new website availability, the process for 2019 is summarized as follows:

- Everyone who will play will register online. They do not have to pay the \$30 annual fee but until they do, they are not eligible to be assigned to play at any event.
- The Captain will be able to assign who is playing. They will see all registered players for their club and who has paid and who has not. Only paid players can be assigned. Note that a player can go online and pay by credit card at any time.
- The website will maintain all player's statistics and what their current Quota is adjusted to the Slope of the course to be played.
- Team winnings and rankings will be available online.

After clicking on the “purchase” link you will see the following:

Our records show that you have not paid the annual fee for this season and therefore are not eligible to play. If you would like to pay the annual fee now, click on the image to the right.

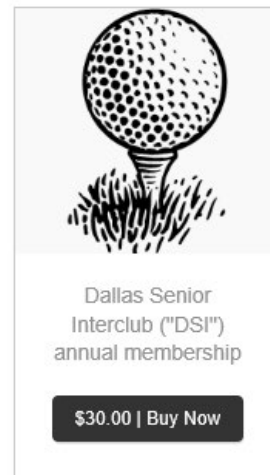

Please read the warning about checking with your Captain before purchasing.

WARNING! – To play in a DSI event, two things must happen:

1. You must subscribe and pay the annual membership fee (that is why you are here! You purchase this item)
2. Your club's team captain will determine what events (if any) you will play in.

Because of requirement #2, be sure to check with your team Captain to make sure you will be able to play. DO NOT PURCHASE unless your team Captain will allow you to play!
